

**EEO Public File Report 8/1/16**

**Prepared by: Terry Steward, General Manager**

**WWIB/WOGO**

WWIB(FM) is a religious station with a strong Christian family-oriented format. We require all of our employees to believe in Christian values, which are important to both our programming and our image and relations with the community. Therefore, we are exempt from some of the FCC’s specific equal employment opportunity recruitment requirements, but we may not discriminate based on race, color, national origin, or gender. However, we do make an effort to disseminate information about job opportunities and attempt to assist people who meet our Christian qualifications in finding employment. Examples of activities during the last year are:

1. **Engineer Training Program:** WWIB/WOGO’s engineer attended the Society of Broadcaster’s Clinic in Madison, WI on October 13 & 14, 2015
2. **Sales Training Webinar:** WWIB/WOGO Sales Manager and sales people received training August 12, 2015 with host Wisconsin Broadcaster’s Association re: “How to Persist Professionally”.
3. **Relational Leadership Seminar:** WWIB/WOGO Traffic Manager Molly Lee received training October 8, 2015 with founder of Living on the Edge Ministries, Chip Ingram
4. **EEO Public File Preparation Webinar:** WWIB Stewardship Director, Carol Steward received Training from host Wisconsin Broadcaster’s Association about FCC requirements in the preparation of quarterly Community Issues reports.

WOGO(AM) has a talk/news/sports format but operates on an automated/satellite basis without a separate staff. Our Christian values requirement applies to all employees of both stations.
